INFORMATION ABOUT THE NORTH CAROLINA REGISTER AND ADMINISTRATIVE CODE

NORTH CAROLINA REGISTER

The *North Carolina Register* is published bi-monthly and contains information relating to agency, executive, legislative and judicial actions required by or affecting Chapter 150B of the General Statutes. All proposed, administrative rules and amendments filed under Chapter 150B must be published in the Register. The Register will typically comprise approximately fifty pages per issue of legal text.

State law requires that a copy of each issue be provided free of charge to each county in the state and to various state officials and institutions. The *North Carolina Register* is available by yearly subscription at a cost of one hundred and five dollars (\$105.00) for 24 issues.

Requests for subscriptions to the *North Carolina Register* should be directed to the Office of Administrative Hearings, P. O. Drawer 11666, Raleigh, N. C. 27604, Attn: *Subscriptions*.

ADOPTION, AMENDMENT, AND REPEAL OF RULES

An agency intending to adopt, amend, or repeal a rule must first publish notice of the proposed action in the *North Carolina Register*. The notice must include the time and place of the public hearing; a statement of how public comments may be submitted to the agency either at the hearing or otherwise; the text of the proposed rule or amendment; a reference to the Statutory Authority for the action and the proposed effective date.

The Director of the Office of Administrative Hearings has authority to publish a summary, rather than the full text, of any **amendment** which is considered to be too lengthy. In such case, the full text of the rule containing the proposed amendment will be available for public inspection at the Rules Division of the Office of Administrative Hearings and at the office of the promulgating agency.

Unless a specific statute provides otherwise, at least 30 days must elapse following publication of the proposal in the *North Carolina Register* before the agency may conduct the required public hearing and take action on the proposed adoption, amendment or repeal.

When final action is taken, the promulgating agency must file any adopted or amended rule for approval by the Administrative Rules Review Commission. Upon approval of ARRC, the adopted or amended rule must be filed with the Office of Administrative Hearings. If it differs substantially from the proposed form published as part of the public notice, upon request by the agency, the adopted version will again be published in the *North Carolina Register*.

A rule, or amended rule cannot become effective earlier than the first day of the second calendar month after the adoption is filed with the Office of Administrative Hearings for publication in the NCAC.

Proposed action on rules may be withdrawn by the promulgating agency at any time before final action is taken by the agency.

TEMPORARY RULES

Under certain conditions of an emergency nature, some agencies may issue temporary rules. A temporary rule becomes effective when adopted and remains in

effect for the period specified in the rule or 180 days, whichever is less. An agency adopting a temporary rule must begin normal rule-making procedures on the permanent rule at the same time the temporary rule is adopted.

NORTH CAROLINA ADMINISTRATIVE CODE

The North Carolina Administrative Code (NCAC) is a compilation and index of the administrative rules of 25 state agencies and 38 occupational licensing boards. The NCAC comprises approximately 15,000 letter size, single spaced pages of material of which approximately 35% is changed annually. Compilation and publication of the NCAC is mandated by G.S. 150B-63(b).

The Code is divided into Titles and Chapters. Each state agency is assigned a separate title which is further broken down by chapters. Title 21 is designated for occupational licensing boards.

The NCAC is available in two formats.

- (1) Single pages may be obtained at a minimum cost of two dollars and 50 cents (\$2.50) for 10 pages or less, plus fifteen cents (\$0.15) per each additional page.
- (2) The full publication consists of 52 volumes, totaling in excess of 15,000 pages. It is supplemented monthly with replacement pages. A one year subscription to the full publication including supplements can be purchased for seven hundred and fifty dollars (\$750.00). Individual volumes may also be purchased with supplement service. Renewal subscriptions for supplements to the initial publication available.

Requests for pages of rules or volumes of the NCAC should be directed to the Office of Administrative Hearings.

NOTE

The foregoing is a generalized statement of the procedures to be followed. For specific statutory language, it is suggested that Articles 2 and 5 of Chapter 150B of the General Statutes be examined carefully.

- (1) the presence of a physical or mental disability which for such individual constitutes or results in a substantial handicap to employment; and
- (2) a reasonable expectation that vocational rehabilitation services may benefit the individual in terms of employability.

(b) The vocational rehabilitation counselor will prior to, or simultaneously with the acceptance of the handicapped individual for vocational rehabilitation services, determine that that individual meets the criteria of eligibility and will so certify. This certification will become part of the individual's official record. There may also be a certification for extended evaluation to determine rehabilitation potential.

(c) In cases determined to be ineligible by the rehabilitation counselor, the applicant will be notified of the decision and a certificate of ineligibility will become part of the official record. The client will also be advised of his rights and remedies in such decisions.

(b) The Division of Vocational Rehabilitation Services assigns the vocational rehabilitation counselor to a particular geographic area. Each counselor is stationed in a local office or vocational rehabilitation facility within this geographic area. Referrals may be made to the individual counselor, to the local community office, to a vocational rehabilitation facility, or to the state office of vocational rehabilitation services. Ultimately, referrals made to any of these sources will be forwarded to the appropriate counselor for processing. It is the responsibility of the vocational rehabilitation counselor to process the referral as promptly as possible, and to provide a follow-up, outcome of referral process report to the referral agency. The state office of vocational rehabilitation services or any local office will receive complaints and inquiries regarding the agency's services.

(c) It is the responsibility of the vocational rehabilitation counselor to contact all referrals felt to be in need of and eligible for vocational rehabilitation services as promptly as possible. Preliminary contact will be made by letter or other means of communications prior to the initial contact by the counselor when possible. The Division will utilize all collateral information available from any other cooperating agency in order to assure expeditious and equitable handling of referrals and applications. Determination of eligibility, ineligibility, or need for extended evaluation is a professional decision made by the counselors, and is based on the standard criteria of eligibility and client evaluation. Final determination in unusual cases can be made by the Chief, Program Operations Section, Raleigh, North Carolina.

(a) The Division shall maintain cooperative agreements with other public agencies and shall establish and maintain information and referral programs as specified in the Three-Year State Plan for Vocational Rehabilitation Services under Title I of the Rehabilitation Act of 1973, as amended, covering Fiscal Years 1989, 1990 and 1991. (d) The Division of Vocational Rehabilitation Services in providing vocational rehabilitation services, will make maximum utilization of public and other vocational or technical training facilities or other appropriate resources in the community.

(a) The financial need of a client, as determined by the financial needs test specified in Rule .0206 of this Section, shall apply as a condition for furnishing the following vocational rehabilitation services in both accepted and extended evaluation status:

- (c) The Division may grant an exception to the rate for tuition and required fees for post-secondary education specified in Paragraphs (b)(3)(D) and (b)(4) of this Rule when necessary to accommodate the special training needs of certain severely handicapped individuals who

must be enrolled in high-cost, special programs designed for severely physically handicapped students.

CHAPTER 1 - OFFICE OF STATE PERSONNEL

SUBCHAPTER 1E - EMPLOYEE BENEFITS

SECTION .1000 - MISCELLANEOUS LEAVE

.1003 EMPLOYEE PARTICIPATION IN

VOLUNTEER EMERGENCY SERVICES

(a) ~~Agency or department~~ heads are authorized to establish a policy providing time off with pay to employees participating in volunteer emergency and rescue services within a limited area around their work station. Each ~~department~~ agency head is responsible for determining that a bona fide need for such services exist within a given area. A bona fide need should be defined as real or eminent danger to life or property. Each policy should require sufficient proof of the employee's membership in an emergency volunteer organization and that the performance of such emergency services will not be an undue drain on the government activities which would be affected.

(b) Employees are encouraged to use the privilege and opportunity to participate in life giving through blood donorship. Participating employees shall be given reasonable time off with pay for whole blood donation, pheresis procedure or bone marrow transplant.

Statutory Authority G.S. 126-4.

SUBCHAPTER III - RECRUITMENT AND SELECTION

SECTION .0600 - GENERAL PROVISIONS

.0602 POSTING AND ANNOUNCEMENT OF VACANCIES

(b) If the decision is made, initially or at any time a vacancy remains open, to receive applicants from within the overall state government workforce, that vacancy shall be listed with the Office of State Personnel for the purpose of informing current state employees of the opening. Such vacancies shall have an application period of not less than seven work days from the time the listing is received by the Office of State Personnel. Each vacancy for internal posting or listing with the Office of State Personnel will be described in an announcement which includes at minimum the title, salary range, key duties, knowledge and skill requirements, minimum education and experience standard, the application period and the appropriate contact person. Posting requirements shall not apply to:

- (5) Vacancies for positions to be filled by chief deputies and chief administrative assistants to elected or appointed department heads; and vacancies for positions to be filled by confidential assistants and confidential secretaries to elected or appointed department heads, chief deputies, or chief administrative assistants.

Statutory Authority G.S. 96-29; 126-4(4); 126-5(d); 126-7.1.

.0604 APPLICANT INFORMATION AND APPLICATION

(b) Applicants applying for a state vacancy must complete and submit a State Application Form (Form PD-107) to the hiring authority. In completing an Application Form, persons subject to registration under the Military Selective Service Act (50 United States Code, Appx Section 453) must certify compliance with such registration requirements to be eligible for State employment, as required by G.S. 143B-421.1. The knowing and willful failure of a subject person to certify compliance when submitting an Application for formal consideration, or to falsely certify compliance, may be grounds for dismissal from employment. It is not necessary for agencies to accept a State Application Form in the absence of an actual vacancy under active recruitment. Agencies may accept resumes, adopt an interest card system, or develop some other method of recording public interest in vacancies which may develop in the future.

Statutory Authority G.S. 96-29; 126-4; 143B-421.1; 50 USCA Section 453.

SUBCHAPTER 11 - EMPLOYEE RELATIONS

**SECTION .0600 - DISCIPLINARY ACTION:
SUSPENSION AND DISMISSAL**

.0606 DISMISSAL

Before an employee may be dismissed on the basis of job performance, the following shall occur:

- (2) A pre-dismissal conference shall be held between the person recommending dismissal and the employee. No third parties shall be present at this conference, including attorneys or other representatives. or witnesses. Witnesses or security personnel may be present at management's request. The management representative shall give the employee notice including the specific reasons for the proposed dismissal and a brief

summary of the information which management believes supports the proposed dismissal. The employee shall have the right to respond to that notice of proposed dismissal in the conference.

Statutory Authority G.S. 126-4(7a).

.0613 GRIEVABILITY OF DISCIPLINARY ACTIONS

(a) Any disciplinary action which, by law or rule, has the effect of reducing the salary of an employee or of denying to that employee any salary increase otherwise available to State employees generally, shall be considered a contested case as that term is defined in G.S. 150B-2(2).

(b) Every agency and university shall grant access to its internal grievance procedure to non-probationary employees wishing to grieve a disciplinary action described in Paragraph (a) of this Rule.

(c) Every disciplinary action described in Paragraph (a) of this Rule must contain written notification to the employee that the disciplinary action may be grieved through the Department or Agency's internal grievance procedure. Failure to place this notification in a disciplinary action shall cause the period of time available to the employee to file a grievance to be extended until at least 15 calendar days beyond the date the employee first receives written notice of his appeal rights.

(d) This Rule shall not be construed to confer contested case status on disciplinary actions which do not meet the definition set forth in Paragraph (a) of this Rule. This Rule shall not be construed to confer contested case status on any disciplinary action which has the effect, by law or rule, of making the employee who receives the action ineligible for performance-based pay increases. This Rule shall not be construed to confer contested case status on any non-disciplinary action whatsoever, without regard to the effect of that action on an employee's salary or eligibility to receive a salary increase.

Statutory Authority G.S. 126-4; 126-34; 126-35; 150B-2(2).
